DISCUSSION OF 11 JUNE 1957 BETWEEN REPRESENTATIVES OF
G-2 AND SDU CONCERNING ERNST ALBERT

1. On 11 June 1957, representatives of SDU and G-2 discussed in
connection with the Ernst ALBERT case. SDU pointed out the security
implications of the case as they affect the FND and requested that
G-2 furnish SDU with all information available to G-2 concerning
ALBERT.

2. In this connection, it was agreed that G-2 would check their
files concerning SDU with all reports given by ALBERT to Heimrich
SCHMITT and the extent of their relationship, a statement concerning
the extent of SCHMITT's knowledge of ALBERT and ALBERT's activities
for the SDU, a list of names of FND personnel known to ALBERT
and passed by him to SCHMITT.

3. It is SDU's position (in which the G-2 representatives
concurred) that the security of the FND is of major importance
to American interests in Germany. SDU therefore, takes such steps
as it is able to insure the security of the FND against hostile
penetration. In this respect, it is SDU's position that with the
information mentioned in paragraph 2 above, a more accurate
assessment can be made of the possibility that penetrations of
the FND exist that might be traceable to ALBERT's activities.
